Dear Maestro,

let me introduce you the most comprehensive, HQ music services of Capellen Music Production (CMP) and some of its main competitive advantages:

- 1. "All inclusive service" at no additional cost:** services that others charge for, CMP provides for free. For example, together with recording, our clients are given e.g. orchestration, music preparation, video documentary and much more... and this all free of charge!
- 2. World-class musicians:** with CMP, you will get industry recognized, and award nominated "Capellen Orchestra & Choir" in fully customizable configuration.
- 3. Latest sound technologies in acoustically greatest halls:** CMPs "state of the art" recording equipment is available to you at most desirable locations in Czech; for example, exclusively with CMP, you can get your project into the Cinematic Concert Hall, the latest and very best acoustic space available in Czech, nowadays.
- 4. Simple and understandable terms:** all products and services provided by CMP always come with royalty buyouts; so no additional or hidden charges in the future

For more information, credits and audio/video samples please visit our website at: www.capellen.cz

Feel free to try our exclusive services at very affordable price! We're looking forward to working with you!

Sincerely,
